Description and features

LED products from OSRAM are characterised by their attractive design and advanced technology. The low power consumption of the LEDs used means that battery life is very long indeed. The LEDs themselves will last an extremely long time in normal use.

LED TRACER

- Point light source with lens attachment
- Loop for keyring

LED KEY CHAIN

- Short chain and karabiner to take keys

LED LITE + WRITE

- High-quality metal casing
- Ballpoint pen with integrated LED

LED PEN FLUO

- A blue LED illuminates the transparent body of the pen so you can still write in pitch darkness
