

And your customers' eyes
will shine. 50% brighter.

For pure joy. Because the new BILUX[®] H4 OSRAM SILVERSTAR[®] – as well as the H1 and H7 – shines up to 50% brighter than conventional lamps. Both the H4 and H7 additionally feature the attractive silver tip that blends beautifully into headlight design. Which makes the OSRAM SILVERSTAR[®] the star of automotive lamps. And a dazzling performer at your cash register. www.osram.de
